Published since 1883, **JAMA** offers unparalleled reach and an author-friendly approach from manuscript submission through publication. **JAMA** reaches physicians, other health professionals, researchers, policy makers, librarians, journalists, and others interested in medicine and public health throughout the world.

Prompt Decisions & Rapid Publication Timelines

- **Median time to first decision:** 4 days, with review, 32 days
- **Fast publication:** Median time from acceptance to online publication is 18 days for research manuscripts
- **Highly selective:** 11% acceptance rate of 9,400 annual submissions; 4% acceptance rate of 5,200 research papers
- **Expedited peer review** and online publication for select clinical trials, other major studies, or reports with urgent public health importance
- **Coordination with meeting presentation:** Opportunity to publish new research simultaneously with your presentation

Author Service

- **User-friendly** manuscript submission system and process
- **Prompt, expert review** and consideration from *JAMA*'s experienced editors
- **Highest editorial standards** and services to improve your accepted manuscript's accuracy, reliability, and readability
- **CME credit available** for lead authors
- **Opportunity** for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- **Number of citations,** Altmetric score, page views, and PDF downloads tracked for your published article
- **Author video** and audio interviews of selected articles
- **Free public access:** All research articles are freely available 6 months after publication on the *JAMA* website
- **Deposit to PubMed Central:** The journal deposits all published research articles into PubMed Central (PMC) for authors
- **Authors may post accepted research manuscripts in public repositories** on or after publication provided that they link to the published article on the journal website
- **The JAMA Network advantage:** Authors of papers not accepted by *JAMA* may have the option to have their papers and reviewers' comments automatically referred to one of the *JAMA* Network Specialty Journals and/or *JAMA Network Open*
- **Dedicated media team** to promote your article to the news media and on social media
