## Impact & Reach

## Prompt Decisions & Rapid Publication

## Author Focus

## High-Quality Peer Review & Editing

### Prompt Decisions & Rapid Publication Timelines

- **Prompt, rigorous** review by our experienced editors
- **Median time to first decision:** 2 days; with review, 34 days
- **Median time from submission to acceptance:** 27 days
- **Median time from acceptance to publication:** 50 days

### Author Focus

- **User-friendly** manuscript submission system and process
- **Highest standards** followed to improve your accepted manuscript's accuracy and readability
- **High-quality peer review**, manuscript editing, and graphics reproduction
- **Number of page views** and PDF downloads, Altmetric score, and online comments tracked for your published article
- **Open access:** Authors of research articles pay an Article Processing Charge for immediate open access on the day of publication (waivers and discounts are available for authors from resource-limited countries)
- **Online extras:** Ability to post supplemental content with articles and download article tables and figures as PowerPoint slides
- **The JAMA Network advantage:** Authors of papers not accepted by *JAMA* or another JAMA Network Specialty Journal may have the option to have their papers and reviewers' comments automatically referred to *JAMA Health Forum*
- **Dedicated media team** to promote your article to the news media and on social media
