JAMA Internal Medicine publishes innovative, clinically relevant research for practitioners in general internal medicine and internal medicine subspecialties.

Prompt Decisions & Rapid Publication Timelines

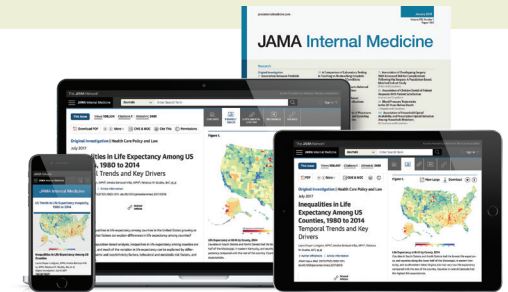

- Highly selective peer review and editorial evaluation, with 9% acceptance rate for all submissions
- Median time to first decision: 1 day; with review, 38 days
- Online First publication of all articles

Author Service

- User-friendly manuscript submission system and process
- Prompt, expert review and consideration from our experienced editors
- Highest standards followed to improve your accepted manuscript's accuracy, reliability, and readability
- CME credit available for lead authors
- Opportunity for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- Number of citations, Altmetric score, page views, and PDF downloads tracked for your published article
- Free access: Research articles are free 12 months after publication
- Open access: Authors of research articles may elect to pay for immediate open access on the day of publication
- Direct deposit to PubMed Central: All research articles deposited directly in PubMed Central (PMC) for authors
- Online extras: Ability to post supplemental content online and download your article's tables and figures as PowerPoint slides
- The JAMA Network advantage: Authors of papers not accepted by *JAMA Internal Medicine* may have the option to have their papers and reviewers' comments automatically referred to one of the other JAMA Network Specialty Journals and/or *JAMA Network Open*
- Dedicated media team to promote your article to the news media and on social media

General Instructions for Authors

- Submit your manuscript at manuscripts.jamainternalmed.com.
- Have questions? Contact jamainternalmed@jamanetwork.org.
- Visit www.jamainternalmed.com for full editorial and submission details.
