JAMA Neurology publishes innovative, clinically relevant research important for physicians caring for people with neurologic disorders and for those interested in the structure and function of the normal and diseased nervous system.

Prompt Decisions & Rapid Publication Timelines

- Highly selective peer review and editorial evaluation, with 8% acceptance rate for all submissions
- Median time to first decision: 3 days; with review, 33 days
- Online First publication of all articles

Author Service

- User-friendly manuscript submission system and process
- Prompt, expert review and consideration from our experienced editors
- Highest standards followed to improve your accepted manuscript's accuracy, reliability, and readability
- CME credit available for lead authors
- Opportunity for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- Number of citations, Altmetric score, page views, and PDF downloads tracked for your published article
- Free access: Research articles are free 12 months after publication
- Open access: Authors of research articles may elect to pay for immediate open access on the day of publication
- Direct deposit to PubMed Central: All research articles deposited directly in PubMed Central (PMC) for authors
- Online extras: Ability to post supplemental content online and download your article's tables and figures as PowerPoint slides
- The JAMA Network advantage: Authors of papers not accepted by *JAMA Neurology* may have the option to have their papers and reviewers' comments automatically referred to one of the other JAMA Network Specialty Journals and/or *JAMA Network Open*
- Dedicated media team to promote your article to the news media and on social media

General Instructions for Authors

- Submit your manuscript at manuscripts.jamaneuro.com.
- Have questions? Contact jamaneuro@jamanetwork.org.
- Visit www.jamaneuro.com for full editorial and submission details.
