Health, Boston, Massachusetts

Impact & Reach

Prompt Decisions & Rapid Publication

Author Focus

High-Quality Peer Review & Editing

Prompt Decisions & Rapid Publication Timelines

- **Highly selective peer review** and editorial evaluation, with 16% acceptance rate for all submissions
- **Median time to first decision:** 2 days; with review, 41 days
- **Median time from submission to acceptance:** 78 days
- **Median time from acceptance to publication:** 60 days

Author Service

- **User-friendly** manuscript submission system and process
- **Prompt, expert review** and consideration from our experienced editors
- **Highest standards followed** to improve your accepted manuscript's accuracy, reliability, and readability
- **Number of page views** and PDF downloads, Altmetric score, and online comments tracked for your published article
- **Open access:** Authors of research articles pay an Article Processing Charge for immediate open access on the day of publication (waivers and discounts are available for authors from resource-limited countries)
- **CME credit available** for lead authors who publish in *JAMA Network Open*
- **Online extras:** Ability to post supplemental content with articles and download article tables and figures as PowerPoint slides
- **The JAMA Network advantage:** Authors of papers not accepted by *JAMA* or another JAMA Network Specialty Journal may have the option to have their papers and reviewers' comments automatically referred to *JAMA Network Open*
- **Dedicated media team** to promote your article to the news media and on social media
