**JAMA Oncology is committed to publishing influential original research, opinions, and reviews that advance the science of oncology and improve the clinical care of patients with cancer.**

## Prompt Decisions & Rapid Publication Timelines

- **Highly selective peer review** and editorial evaluation, with 13% acceptance rate for all submissions
- **Median time to first decision:** 2 days; with review, 43 days
- **Online First** publication of all articles

## Author Service

- **User-friendly manuscript submission system** and process
- **Prompt, expert review** and consideration from our experienced editors
- **Highest standards** followed to improve your accepted manuscript's accuracy, reliability, and readability
- **CME credit** available for lead authors who publish in *JAMA Oncology*
- **Opportunity** for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- **Number of citations**, Altmetric score, page views, and PDF downloads tracked for your published article
- **Free access:** Research articles are free 12 months after publication
- **Open access:** Authors of research articles may elect to pay for immediate open access on the day of publication
- **Direct deposit to PubMed Central:** All research articles deposited directly in PubMed Central (PMC) for authors
- **Online extras:** Ability to post supplemental content online and download your article's tables and figures as PowerPoint slides
- **The JAMA Network advantage:** Authors of papers not accepted by *JAMA Oncology* may have the option to have their papers and reviewers' comments automatically referred to one of the other JAMA Network Specialty Journals and/or *JAMA Network Open*
- **Dedicated media team** to promote your article to the news media and on social media

## General Instructions for Authors
