

JAMA Network CME Available Through Your Library

AMA PRA Category 1 Credit™ from a source you trust.

- Explore 950+ CME activities based on articles or audio interviews from JAMA® and the JAMA Network specialty journals, including *JAMA Internal Medicine*, *JAMA Oncology*, and *JAMA Pediatrics*. Also available for authors and peer reviewers.
 - Visit the JAMA COVID-19 Q&A audio and video series page at <https://ja.ma/covidqa> for free CME. Includes interviews with expert researchers and clinicians.
 - Each calendar year, the past year's CME activities will expire and the promotion will automatically start again, offering 10 new CME activities annually to all institutional users.
-
- Visit jamanetwork.com/learning from within your institution's IP range and sign in or create a free account. After signing in, your account will be credited with 10 free CME activities.
