**Published since 1883, JAMA offers unparalleled reach and an author-friendly approach from manuscript submission through publication. JAMA reaches physicians, other health professionals, researchers, policy makers, librarians, journalists, and others interested in medicine and public health throughout the world.**

## Prompt Decisions & Rapid Publication Timelines

- **Median time to first decision:** 3 days, with review, 31 days
- **Fast publication:** Median time from acceptance to online publication is 15 days for research manuscripts
- **Highly selective:** 8% acceptance rate of 12,000 annual submissions; 3% acceptance rate of 3,000 research papers
- **Expedited peer review and online publication** for select clinical trials, other major studies, or reports with urgent public health importance
- **Coordination with meeting presentation:** Opportunity to publish new research simultaneously with your presentation

## Author Service

- **User-friendly** manuscript submission system and process
- **Prompt, expert review and consideration** from JAMA's experienced editors
- **Highest editorial standards** and services to improve your accepted manuscript's accuracy, reliability, and readability
- **CME credit available** for lead authors
- **Opportunity** for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- **Number of citations, Altmetric score, page views, and PDF downloads** tracked for your published article
- **Author video and audio interviews** of selected articles
- **Free access:** Research articles are free 6 months after publication
- **Direct deposit to PubMed Central:** All research articles deposited directly in PubMed Central (PMC) for authors
- **The JAMA Network advantage:** Authors of papers not accepted by JAMA may have the option to have their papers and reviewers' comments automatically referred to one of the JAMA Network Specialty Journals and/or JAMA Network Open
- **Dedicated media team** to promote your article to the news media and on social media
