JAMA Cardiology is positioned at the nexus of clinical investigation, actionable clinical science, and clinical practice, with emphasis on traditional cardiovascular medicine, evolving cardiovascular science, and evidence-based health policy. Health equity, especially when supported by original science, is a leading editorial priority.

Prompt Decisions & Rapid Publication Timelines

- Highly selective peer review and editorial evaluation, with 10% acceptance rate for all submissions
- Median time to first decision: 11 days; with review, 54 days
- Online First publication of all articles

Author Service

- User-friendly manuscript submission system and process
- Prompt, expert review and consideration from our experienced editors
- Highest standards followed to improve your accepted manuscript's accuracy, reliability, and readability
- CME credit available for lead authors
- Opportunity for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- Number of citations, Altmetric score, page views, and PDF downloads tracked for your published article
- Free public access: All research articles are freely available 12 months after publication on the journal's web site
- Open access: Authors of research articles may elect to pay for immediate open access on the day of publication
- Deposit to PubMed Central: The journal deposits all published research articles into PubMed Central (PMC) for authors
- Authors may post accepted research manuscripts in public repositories on or after publication provided that they link to the published article on the journal website
- Online extras: Ability to post supplemental content online and download your article's tables and figures as PowerPoint slides
- The JAMA Network advantage: Authors of papers not accepted by JAMA Cardiology may have the option to have their papers and reviewers' comments automatically referred to one of the other JAMA Network Specialty Journals and/or JAMA Network Open
- Dedicated media team to promote your article to the news media and on social media

General Instructions for Authors

- Submit your manuscript at manuscripts.jamacardio.com.
- Have questions? Contact jamacardio@jamanetwork.org.
- Visit www.jamacardiology.com for full editorial and submission details.
